

Welcome Message from Mayor Rob Drake

Hi. I'm Rob Drake, Mayor of the City of Beaverton. I'm proud to be part of such a dynamic community – always moving forward and changing for the better.

We have a thriving business environment - this area is home to both world and regional headquarters, and small and mid-size companies.

What makes a community special, some place that you want to live and raise a family, is a safe environment, great schools, affordable housing, and fun things to do – Beaverton has all of that and more!

Thank you for visiting our community, and our home – I hope you come back to stay.
